Dear Jan Vermeulen

RE MYBROADBAND press enquiry.

Your numerous emails to MTI Management and Members refers.

MTI and its management will not be commenting on the matter at hand.

The questions raised by yourself stems from private member information that was illegally obtained. Furthermore the information obtained is inaccurate at best.

You are thus formally notified that the information you have is incorrect and publishing of such information would be illegal and a gross violation of our members' privacy.

MTI members are satisfied and serviced as per our brand promise. MTI and members' bitcoin is safe and secure and the partial information breach has been rectified.

We reserve all our rights.

Kind regards
Leonard Gray
